

HIRE A STUDENT

Welcome to our Hire a student database. If you are looking for Students for the upcoming season for a variety of positions within the Hospitality Industry, you have come to the right place.

We offer a one-stop service for our local Hospitality businesses, who wish to acquire well trained individuals who have a desire to work in their field of study. Students at NOTLCS are also interested in year round part-time work and also interning at your facility.

We welcome any facility who is interested in accommodating our Interns for approximately 8 hours a week from November to April. By allowing students to intern we hope that they will be considered for any openings that may become available within your property, thus allowing a smooth transition and familiarity for both you, our Student and your Guests.

All our students are covered under WSIB and have valid Work permits and Social Insurance Numbers to minimize any paperwork on your part. It's all taken care of!

If you want a jump start on the upcoming season. Please fill out the form below and someone will respond to your request within 48 hours. All positions will be considered on a first come, first serve basis.
